## About Toronto Dance Theatre (TDT)

TDT is the legendary artistic home and collaboration hub where, since 1968, curious creators, ensemble performers and audiences inspire each other to create and celebrate new explorations of dance – playful to provocative, from near and far – that reflect our times, our diverse cultures and communities. Ever fresh and adventurous, TDT is one of Canada’s leading innovators in contemporary dance while being one of the very few dance companies in the country with an ensemble of dancers.

By becoming a Volunteer Ambassador, you’re helping TDT raise funds to create and produce new works, support dance artists in their choreographic practices, lead empowering dance activations in the community, and spark engaging experiences for audiences in Toronto, across Canada, and abroad.

## About Charitable Bingo & Gaming (cGaming)

In partnership with Ontario Lottery and Gaming, the Ontario Charitable Gaming Association (OCGA) helped introduce electronic games to more than 30 charitable bingo and gaming centres in more than 25 communities across the province. These centres still have traditional paper bingo play but now also have electronic touch screen paperless bingo as well as other electronic games for players to enjoy. Charitable groups, such as Toronto Dance Theatre, receive a portion of the proceeds based on their participation and role in the centre.
