

# Getting to Disko Piknik

1. If driving to Disko Piknik, please factor in extra time to find parking. The park is busy on the weekends and you may need to try one of the other parking lots in the park, if the one closest to the event is full.
2. If walking or taking transit, please factor in time to walk through the park. The Bathurst St. Entrance has the shortest path to the event site, but you can also go into the park from Sheppard Ave. W and walk through the paths.

## Public Transit Options
